## Join Columbia Women's Basketball in the fight against breast cancer!

Columbia Athletics will be hosting our annual **PLAY 4KAY NIGHT**, breast cancer awareness night, on Saturday, February 14<sup>th</sup> in Levien Gymnasium at the Dodge Fitness Center when our women's basketball team hosts Dartmouth at 7:00p.m. **You are also invited to a special pregame reception (light snacks and refreshments) at 5:45p.m. in the Lou Gehrig Lounge at the Dodge Fitness Center.** Please RSVP to Danny Spiegel at [das2145@columbia.edu](mailto:das2145@columbia.edu).

**PLAY 4KAY** is a Women's Basketball initiative to raise awareness and funds for cancer research on the court, across campuses, in communities and beyond. Columbia Women's Basketball has participated in **PLAY 4KAY** since the 2007-2008 season and has raised over \$33,000 for breast cancer research.

It is important to Columbia Women's Basketball that we join together as a community to celebrate survivors on this special night.

For this special Ivy League Women's Basketball contest, half of all ticket proceeds will be donated to the [Herbert Irving Comprehensive Cancer Center](#) for breast cancer research. Donations will also be collected at the game.

**The Herbert Irving Comprehensive Cancer Center has purchased tickets to distribute. If you would like complimentary tickets, please stop by the HICCC Administration Office (PH18) or the Hematology/Oncology Administration Office (Milstein 6-435) to pick up your free tickets for yourself, your colleagues, your family and your friends!**

**For any additional questions, please feel free to contact Elisa Califana at [ec2907@cumc.columbia.edu](mailto:ec2907@cumc.columbia.edu) or 646-317-0542.**

### Contact Scope

The staff of Scope welcomes the input of the Department and others in our community. For comments or suggestions regarding Scope's format or function, or to suggest news or calendar items for future issues, contact the Scope office by e-mail at [scope@columbiamedicine2.org](mailto:scope@columbiamedicine2.org). Past issues of Scope can be found on the [Department of Medicine web site](#).
